You 10:24 AM
Create a high-quality prompt for a marketing copywriter to write a product launch email for a new AI productivity tool. Make it flexible with variables I can reuse.
Brain 10:24 AM
Got it. I'll create a reusable, high-performance prompt template for a marketing copywriter to write a product launch email, with clear instructions, structure, and variables you can customize (e.g., {{product_name}}, {{target_audience}}, {{key_benefits}}, {{tone}}, etc).. Here's a solid draft:
Product Launch Email Prompt (Template)
A customizable prompt for generating a compelling product launch email.
Use Template
You 10:26 AM
Great! Also add guidance on length, subject line options, and a clear call to action.
Brain 10:26 AM
Done. I've updated the prompt to include recommended length, subject line options, and a clear call to action, while keeping it fully customizable. You can review it in the template library on the right, or I can paste the full prompt here if you'd like.
